Building Community

Through fun and learning, we create a community within MSMC. A large part of the RA position involves responding in a variety of ways to the personal, educational and social needs of the residents. By helping to provide a climate that is conducive to academic achievement and the integration of social, spiritual, recreational and cultural activities, the RA is assisting with the orientation to College life and the self development of each resident student. It is necessary for the RA to be able to work together with other Residence Life Staff members in a team effort as well as to be able to take individual responsibility for a decision or action. This position demands a significant time commitment and the willingness to be available for and invest in the lives of other students.

SING ALONG! Residence life hold many fun events to keep residents involved.

Success: To laugh often and much, to win the respect of intelligent people and the affection of children, to earn the appreciation of honest critics and endure the betrayal of false friends, to appreciate beauty, to find the best in others, to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded! ~Ralph Waldo Emerson

THANK YOU, THANK YOU VERY MUCH to Alicia Herrera, Betsy Azariah '66 and Francis Dimacali.

Seniors continued the longtime tradition of giving back to the College through the Class of 2011 Senior Gift Initiative. They chose to create The Class of 2011 Scholarship with their gifts. With the help of the Senior Gift co-chairs and committee members, the initiative was kicked-off at Casino Night and ended at the Senior Farewell Dinner when they presented their gift to President Doud.

Dr. Helen Boutrous supported the initiative as well as the President of the Alumnae Association, Betsy Azariah '66, who matched seniors gifts dollar per dollar. Drs. Doud also matched seniors gifts made at the Farewell Dinner three to one. All gifts combined totaled more than $8,300 for the scholarship and 26% of seniors participated. Seniors participation will be recognized with a plaque in the Student Lounge.

Senior Gift Kickoff

Senior Farewell Dinner

LET'S REMEMBER THE NIGHT Making the night memorable, a few of the seniors make sure to steal a photo with Dr. Doud and other MSMC faculty members.

ENJOY IT WITH THE BEST! Seniors enjoy this last night of celebration with good friends.

Senior Gift Co-Chairs, Francis Dimacali and Alicia Herrera

The Class of 2011 celebrated their time at the Mount and their graduation at the Doheny Mansion. Dr. Helen Boutrous was the faculty speaker and shared inspirational words. The Senior Gift was presented to President Doud and seniors shared their memories. The event was closed with a moving song written and performed by senior Ann Ngo.

Baccalaureate Mass

LIGHT THE WAY students gather to receive parting blessings for a new beginning in life.

As tradition, the Baccalaureate Mass is held a few days before graduation at the Chalon Campus in Mary's Chapel. Graduates, their loved ones, and Golden Grads (alumnae who graduated 50 years earlier) are invited to reflect on their experiences, the past, future, and present. Thanks are given to God for bringing the class together as one and for their college experiences.

FAMILY FIRST Sanam Yaghtin smiles genuinely as she stands in between members of her proud family.

WAITING FOR THE CEREMONY Dianne Locquiao, Holly Merriman, Tabitha Pineda, and Sue Ann Leavy anticipate for the start of the mass.

I saw the Lord always before me.
Because he is at my right hand,
I will not be shaken.
Therefore my heart is glad and my tongue rejoices;
my body also will rest in hope,
because you will not abandon me to the realm of the dead,
you will not let your holy one see decay.
You have made known to me the paths of life;
you will fill me with joy in your presence.

20 years

of service and leadership

Dear Students,

Be all that you can be, you each have unique gifts. Take advantage of every resource and talk to people at the college to discover and develop your potential because nothing is done alone. Be adaptable and flexible by getting up on your feet and trying again. Be grateful for the opportunity you have-gratitude is the mark of the mature person."

Jacqueline Powers Doud, Ph.D

ASB 2009

Dr. Jacqueline Powers Doud has been a part of Mount St. Mary's College since 1991, when she became our Academic Vice President/Dean. Now for a total of 11 magnificent years, she has led Mount St. Mary's College with love and devotion as our President. Not only was Dr. Doud brave for having taken the responsibility of two campuses, but she has also been a loving and caring President. Among her accomplishments, Dr. Doud has increased the amount of scholarships given out to students each year, fostered beauty in our environment to elevate our spirits and minds, instituted a culture of remarkable service, made improvements to classrooms and upgraded technological resources.

Dr. Doud knows that to have been associated with a women's college, means more opportunities for women to succeed. To our women at Mount St. Mary's College she says, "Be competent on your own, don't blame it on the fact that you are a woman."

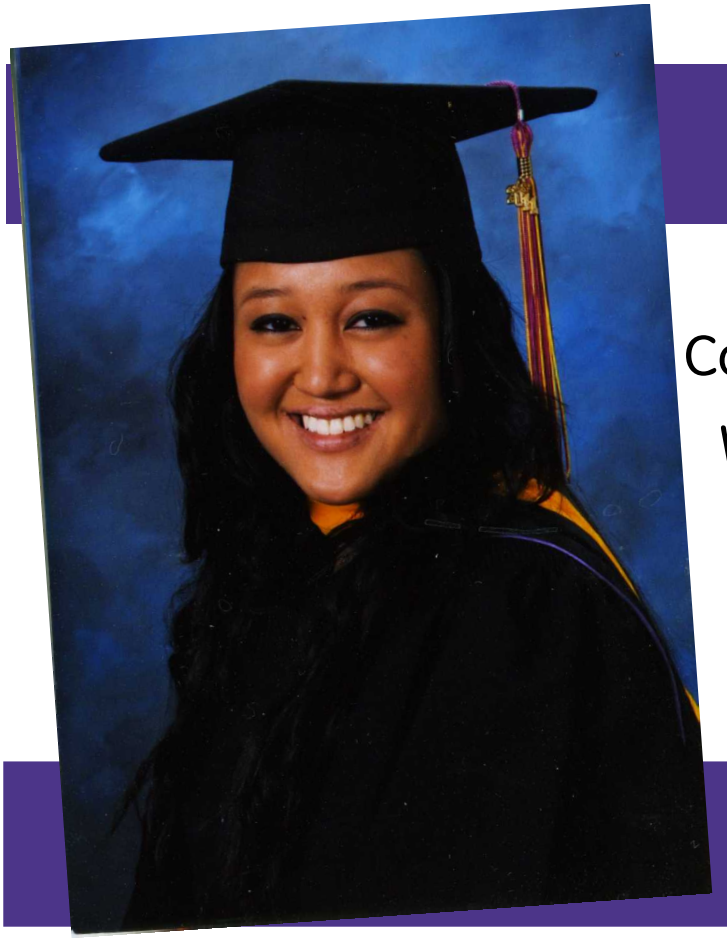

President's Cabinet

Back: Larry Smith, MA, Stephanie Cubba, Ph.D., Chris McAlary, MBA
Front: Eleanor Seibert, Ph.D., Jacqueline Powers Doud, Ph.D., Jane Lingua Ph.D.

To our very few good men on campus she says, "we accept men on our campus. They deserve credit for choosing Mount St. Mary's College. They have self confidence. "Her advice to us all is to never look back and always live in the present– re-establish yourself every day."

By having so many accomplishments throughout her career, we can definitely say that Dr. Doud has and always will be a great example of true leadership to all.

Rosy Hija:

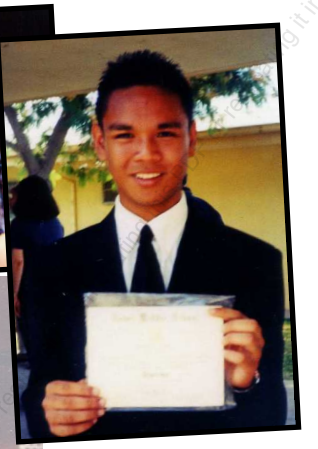

Tengo mucho que agradecer a Dios y una de esas bendiciones eres tú. Te sentí crecer en mi vientre como una parte de mi, para luego experimentar la dicha de tenerte entre mis brazos y aprender junto contigo y tus hermanos la tarea de ser madre por qué tenerlos no me titulo en ese rango, he ido aprendiendo tratando de enseñar con el ejemplo de darles buenos consejos, buenos principios y una buena educación ya que estas herramientas hacen fuerte el alma y templan el espíritu para vencer las dificultades No me alcanzaría un pizarrón para darte tantas felicitaciones, consejos y buenos deseos, pero solo te diré los más importantes: No olvides lo mucho que te queremos, y todo lo que estaríamos dispuestos a hacer por ti, esfuérzate en las situaciones más difíciles para que cuando tengas momentos dulces saborees el éxito no dejes nunca de superarte, recuerda siempre que dar amor nos devuelve amor y que el odio y el rencor nos amarga el corazón, que la caridad nos hace ricos, que hay que perdonar y empezar cada día como que va a ser el ultimo de nuestra vida. Hija de mi Corazón te deseo que seas una excelente profesionista y que siempre seas muy feliz. ¡Te quiero mucho! Tu Mamá.

Gaby: No tengo mucho espacio para expresarme y cada palabra que escribo la envidio porque me roba espacio para decirte lo mucho que te quiero. Echo la vista al pasado, donde me refleja tan bellos recuerdos al verte crecer el verte con tu carita incrédula cuando nos trasladamos para acá, lo que nos permitió reacomodar nuestras vidas y lo más importante darte la oportunidad de verte crecer física y mentalmente, admirando tu fortaleza y decisión para hacerte un camino en la vida. Estas a punto de cristalizar una carrera, a empezar a subir el primer peldaño de esa escalera en la cual no todos tienen acceso, y en la que no se tiene límite para aprender donde se necesita ser constante y persistente Indudablemente se tendrá tropiezos, pero servirán para fortalecerte, solo te pido que nunca olvides a quien te tendió la mano, que tus decisiones sean tomadas con la cabeza, dejando en segundo término el corazón. Sonríe cuando te ofendan y da la mano a quien la necesite. Estoy convencido que de hacerlo siempre serás recompensada. Con todo el cariño y admiración, tu Padre.

I'm very proud after all the years of putting hard work into school, you're finally graduating. The oldest of three siblings, you've set a great example for the both of us to follow and I look up to you very much. Time flies by so fast and it seems like only yesterday we would be sitting around the television in grandma's house watching Saturday morning cartoons. Nonetheless, we all have to grow up sometime and I'm happy to see that my older brother is finally graduating from school. I hope everything goes well with you when you venture off into the new world you're about to step in to. I know you'll grow up to be a successful person. Thank you for being there for me and for being a very understanding person. I love you. Don't ever change.

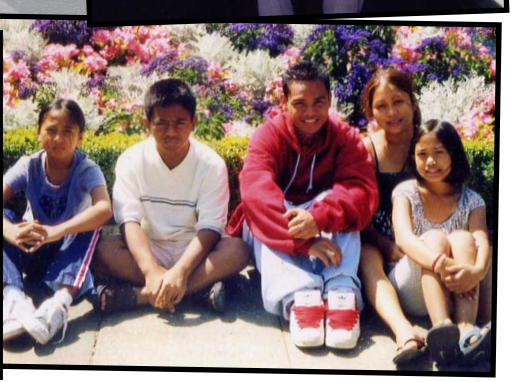

Love,
Bernice
